Al-Anon Family Groups Celebrates 75 years

### Many Voices, One Journey

(B31 - \$18.00)

#### Introduction – Pages 1 – 5

This book explains that it:

- ❖ More resembles a daily reader than an ordinary history book (where) many of the segments are followed by questions for group discussion or personal reflection
- ❖ Gives readers an authentic sense of what it was like to personally experience these times
- ❖ Gives members an opportunity to peer into cross-section of Al-Anon's past
- ❖ Shows how Al-Anon members applied the spiritual principles of the program
- ❖ Illustrates how Al-Anon's policies have changed over time
- ❖ From the beginning, Al-Anon's leadership wanted to include as many voices as possible

#### Epilogue – Page 383 – 391

In 1976, speaking about the 25<sup>TH</sup> WSO anniversary Lois W. states;

“It's always forward that we have to look, and let our gratitude be for those to come. The people who have been in the past were just doing what they wanted to, what they loved to do – and what you yourselves are doing. So, here's to the future of Al-Anon!”

**Well said then; well said for today at 75!**
