

## **CT AFG Area Fall Assembly Planning Committee Report**

Report presented: September 11, 2020 CT AWSC meeting

The CT AFG Area Fall Assembly is scheduled for Saturday November 7<sup>th</sup>. Districts 8 and 9 are working with the Area Chairperson and Area Officers to plan the logistics and agenda, with a tentative schedule of 10 am EST to 5 pm EST including a workshop and scheduled breaks.

Due to COVID-19, the Fall Assembly will be held virtually, via Zoom. In order to maintain security and facilitate admission to the meeting, attendees will be asked to pre-register by completing a brief form and providing their e-mail address. For those who do not have an e-mail account, direct access via phone will be provided. Several Area members have volunteered to assist with the technical and logistical issues to ensure a smooth meeting, with a trial run being planned the week before the Assembly.

The agenda is under development, and the Planning Committee will meet on September 23<sup>rd</sup>, with additional dates to be scheduled in October. We will be voting on the 2021 Area Budget. The Assembly is expected to vote if approved at the AWSC meeting in September. A workshop for Group Representatives is also in the planning stages. We would like to make the meeting interactive if possible and are considering soliciting discussion topics from DR's and GR's to identify a few topics of high interest that may encourage participation and discussion. Additional information on the Agenda will be shared once it is finalized.

The next meeting of the planning committee will be held on September 23<sup>rd</sup> at 7:00 pm via Zoom.

Respectfully submitted with Gratitude in Service,

Katie D

DR District 8
