CT AFG Assembly  
CT Alateen Coordinator Report  
Lisa G.

Good afternoon

I am your CT Alateen Coordinator

During the pandemic we continue to hold 7 Alateen meetings via zoom. Not every meeting is on zoom. The Alateen sponsors are guiding the Alateen's to our online meetings and keeping in contact to the best of their abilities. We have a great group of AMIAS/sponsors and they go above and beyond when it comes to keeping Alateen's in communication.

The CT AFG website has my email: [lisag.ctalateencoordinator@gmail.com](mailto:lisag.ctalateencoordinator@gmail.com) listed in order to help newcomers attend meetings. For the safety and behavioral policies and procedures Alateen zoom information cannot be posted on the website. However, each meeting listed has denoted if it is online or temporarily closed. We have had a number of communications and have been able to help newcomers attend Alateen zoom meetings.

During this time of online meetings, it my responsibility as your Alateen coordinator to be the contact person for newcomers to Alateen.

We continue to try to get Alateen speakers for anniversaries. Sometimes it is just not possible to get an Alateen speaker for your anniversary. Please understand especially in these times but we will always do our best to get a speaker for you.

An Alateen is not to be contacted directly to speak at any event. We need to follow the links of service through the Alateen Coordinator and the sponsors. The area has tasked me with this responsibility.

Grateful in service  
Respectfully submitted  
Lisa G.
