Fall Assembly 2020

Hello Everyone!

I am so grateful to be here (at home physically and with you all spiritually); I know that 2020 has been rough for all of us, and I couldn't be more thrilled to have a program to keep me sane during this dumpster fire of a year.

One of my successes in the first year of my term has been growing in my understanding of the 36 principles, taking one day at a time, and prioritizing my recovery. A challenge has been maintaining healthy boundaries and managing my expectations.

Since the Spring Assembly, I have been brainstorming creative ways of displaying and/or selling literature for area events. As you are probably aware, one of the primary functions of my service position is to attend all area events and make Conference Approved Literature available. And as you are definitely aware, there haven't exactly been any live events this year.

Because we have not been able to meet in person, I would like to make myself available to committee chairs and present potential ways to make literature available. Al-Anon CAL is a vital resource to our fellowship, and raising awareness of how to access it is something I look forward to.

Love in Service,

Morgan R.
