

Hi I am Leslie a grateful member of Al-Anon and Alateen and your Phone Service Coordinator.

We have four volunteers now answering calls and it seems to be a good number.

I looked at August 2024 and we had 21 calls with 5 unanswered and 2 voicemails and I returned those calls. The cost for the month was \$21.65. I also looked at September of this year. We had 20 calls with 5 unanswered and 3 voicemails. I returned those also. The cost was \$21.46 for the month.

We get most of the calls about the schedule and questions about the Al-Anon program and Alcoholism.

Please pass the word around about volunteering for the phone service it would be great to get more of us involved! It is a wonderful way to do service and pass along the awesome program of Al-Anon!!

Thanks all for your service!!!
